Attaining of 12 Goals Could Transform Quad-Cities in 1973

(Last of a five-part series.) Challenges of 1973 outlined so far in this series have been as follows:

Provision of more adequate stormwater drainage through local, state and fed-

through local, state and federal action.

2. Assurance that the tax burden will be kept within reasonable bounds by making each dollar collected deliver 100 cents worth of sesential gupdies.

3. Fostering of both the image and reality of a skilled and productive la-

ban on construction projects.

5. Establishment of a safe, spacious, ultra-modern airport at Columbia-Waterloo so that firms, agencies and residents, will choose this region in sufficient numbers for the St. Louis metropolitan area to keep page the proportion of the strength of the safe page of

7. Development of a more positive image of the Granite City municipal government, with a higher degree of city cooperation to encourage a nd accomplish needed improvements on the basis of objectively-set priorities.

In addition to these seven objectives which have been discussed in detail in previous articles, other topics also are require a still longer listing, in the forefront of Quad-City which is bad in the sense that ans' thinking as they endeavor the specific needs remain un-

to make 1973 a good year for this community.

Two were the subject of discussive bearing the subject of disc 10. At long last, construc-tion of a downtown mall to improve retail services and accessibility and to drama-tize the desirability of the diverse facilities within the central business district.

11. Prompt utilization of he many well-built, large

and versatile buildings at the Granite City Army Installation, by the federal government or by private enterprise through lease or purchase.

12. Action early in 1973 hoseure junior college instruction and security and through a new district or annexation.

13. Action early in 1973 hoseure junior college instruction and security in 1973 hoseure junior college instruction and security and through a new district or annexation.

Noise Control Will Not Apply to Nature—But Then, How Could It?

Copley News Service
Springfield-Regulations controlling amounts of noise allowed at fixed installations have been proposed, publish and the proposed publish and the proposed publish and proposed pub

Park on Lake microgamited in residential areas at night, under proposed regulations.

Jack Moore, manager of the division of noise pollution control of the state of the company of the co what far-fetched—and on a par with asking the agency to con-trol the sound of a volcano erupting or to take action be-cause a thunderstorm violated the noise level limits."
"No one has control over na-tural phenomena," Moore noted, but we can lessen artificial noise."

"but we can lessen articles noise."

For purposes of comparison, Moore said studies have indicated the noise generated by a

by a task force studying the problem.

Present proposals would cover primarily noise emitted from a fixed boundary or property for the propert

sary Moorasules subset before because a violation is discovered during routine surveillance or as the result of a complaint made to the agency.

"The chief problem in noise poliution," Moore said, "is that testimony has a complaint more considered to the consideration of the consid

can occur at levels well below the threshold of pain.
"If you cut your finger,
you know you're furty your
hearing can be undergoing
even realize it because
there is no pain."
During the public hearings
which preceded adoption of the
amended proposals, Moore,
said. numerous case studies
were introduced no ards do not
require anything not technically or economically feasible.
"Though there were addi"Though there were addi"Though there were addi-

cally or economically feasible.
"Though there were admittedly some cases in which the
cost of complying would be
quite high." Moore said, "generally the expense require
would be moderate to low.
"Often a problem can be
eliminated merely by changing the pitch of a fan or a
blower, or by relocating it."

The proposed regulations rould make exceptions for such ver-the-limit sounds as emerency warnings and sirens.

gency warnings and sirens.

It would also permit exceptions for limited group functions—such as sporting events and other public gatherings, where the "social value series levels which may be caused."

To date, Moore added, Illinois is ahead of most states in adopting noise publitton regulations are now using data compiled in Illinois public hearings in setting up their own standards.

Budgetary Restrictions' Still Closing Illinois Army Bases

Comment by the Press-Record bureau in Washington—The Granite City Army Installation saw much of its activity halted in the early 1970s. Now, a continued Department of Defense cost squeeze is affecting other Illinois bases.

inois bases.

The Army Ammunition Procureent and Supply Agency will be disunded and the Joliet Ammunition
ant will be shut down, Army Secrery Robert Froehlke and Gen. CreighW. Abrams, chief of staff, have

announced.

They explain the decision as part of a series of major actions to modernize and strengthen the Army organization in the continental United States. The goal is increased efficiency and savings.

A new Armaments Command will created at Rock Island in a merger the Munitions Command, which in-ides APSA at Joliet and the Weap-s Command at Rock Island.

of the Munitions Command, which includes APSA at Joliet and the Weapons Command at Rock Island. This means everything will be concentrated at Rock Island, an aide to Cong. George M. O Brein, said.

"The continuing requirement to increase effectiveness within reduced escoures makes this tatement said.

The activities within reduced the said of the said

Someone Must Search for Facts,

comeone Must Search for Facts,
Comment by Wes Gallagher, president of the Associated Press—At no time in history has the history has the professional time has the world needed the professional journalist more.

It is the journalist as ke to be a clear, cool, objective voice bringing reason to an inflamed and confused world. The strident, partisan voices in today's society contribute heat but no light to a society drowning including the professional present the facts and the facts, and the starch for the facts—all the facts, not just those that fit his point of view—and present them to the public.

There are those within the profes-

mand. A saving of \$190 million is predicted by the Army.

To rumors that Joliet would close, the Army had given a standard reply:
"All military bases continually are undergoing review in light of budgetary restrictions."

"All military bases continually are undergoing review in light of budgetary restrictions."
Defense Secretary Melvin R. Laird Apprehenses and the cong. Ledie C. Agent that the Joliet Ammunition Plant would continue in operation through 1973.
Arends, in disclosing this, said Laird had approved plans for continued operation at the then current level of employment. Joliet then employed 2,218 workers, down from its 1960 peeple of the property of the control of the control

pended on was the better plant, rowards the better plant. Pearson was convinced Parsons the more effective plant.

Closing of the Joliet plant had not been considered likely in some quarters because of its long history of operations and the continuing need for ammunition, the Vietnam cutback notating.

operations and the Vietnam cuthack not-ministrating. Lending support to this view at that Lending support to this view at that time was that Joliet broke ground in the summer of 1970 for a five-year. \$230 million project to reduce air and water pollution and to improve plant production.

How to Rock the 'Rock of Ages'; Or, Electrovision Can Be Shocking

On consecutive days in the St. through 15 scenes to a finale Louis metropolitan area this in which there are improvised month it was possible to see-portrayals of what the cast two stage productions what thinks audience reactions have surprisingly had a number of been to that day's performing the surprising the same that the surprising the surprise surprise that the surprise surprise that the surprise sur

There were spirited tunes; there was intricate choreog-

There were spirited tunes; there was intricate choreography. B ot h productions originated off-Broadway.

Each was shocking, but in far different ways.

The plays were "Godspell," described by some as a more acceptable modern religious, play than "Jesus Christ Superstar," and "Oh. Calcutta," described as making the musical "Hatir seem like "Mary "Opharites and the series of the control of the negie - Mello negie Tech).

negie Tecth).

The best known song from the "free form theatrical work" is "Day by Day."—
"Three things I pray: To see Thee more clearly, to love Theore word by follow the more nearly, day by day."

The actor portraying Jesus, like all the others in the troupe, wears the clothing and makeup of a clown.

He is shown as a cheerful idealist who bring happiness and wise counsel to all He meets.

meets.

Many of the parables are set to catchy modern music, and are presented with infectious good humor. Among the highlights is "Prepare Ye the Way of the Lord."

Liord."

The play has been called the "brightnest, happiest, most imaginative musical in years a 'sheer joy." Its smashing success is attributed to "list sterefreishing optimism and spark-ling youthluless... Rock of Mgs." the rock musical often optimism. The work of Mgs." the rock musical often optimism to the work of Mgs." the rock musical often optimism to the work of Mgs." the rock musical often optimism to the work of Mgs." the rock musical often optimism to the work of Mgs. The work of Mgs

Testament.

It interprets the story in contemporary terms, with modern youth symbolically crueffied by an unfeeling.

But its overriding theme is joy that "the Lord to the skind;

is a blood.

ing large crowds.

"Oh. Calcutta" is hardly a
candidate for presentation in
St. Louis, where even "Hair"
was booked only after lengthy
legal maneuvering.

And the "electrovision" ve sion—filmed on the New Yor stage where it has played for several years—surely would no be scheduled for Granite City

several years—surely would not be scheduled for Granite City.

Where it has been showing is staid old Alton, where the staid of Alton, and the staid of th

similarities as well as their values, obvious differences.
Each of the two casts consistence of temperomers—five a during the constant of the performers—five and five curresses, mostly young, mostly handsome and attractive.

Both groups included tale-neited singers and dancers. The comedy and emoting were professionally done.

There were spirited tunes; there was intricate choregy.

There were spirited tunes; there was intricate choregy.

The condition of the play include the c

Fans of the play include Bob Hope, Senator Jacob Javits, Shelley Winters, Ru-dolf Nureyev, Jerome Rob-bins, Shirley MacLaine and Buddy Hackett.

Fans also include "stand-ing room only" audiences, mainly couples, which have been flocking to the Cameo theater from throughout the metropolitan area.

Perhaps what has permitted it to be presented is its wit and humor, commodities lacking in many of the films which have been the target of police raids in St. Louis.

Although its showing remains psetting to many residents of unsetting to snowing remains upsetting to many residents of this region, "Oh Calcutta" is only one of many such "legitimate" stage productions which have been presented. In New York and in a few other large cities during the past several years.

years. years.

The list of unclad plays has included The Prime of Miss Jean Brodle, Scuba Duba, The Concept, Dionysus, Tom Palite, You Know I Care and The Concept, Dionysus, Tom Palite, You West Running, Christmas Turkey, The Farst Roman, dispatches from Broadway and off-Broadway disclose.

Do such programs constitute too sharp a departure from ap-propriate conduct and presage a new "decline and fall" of civilization?

His comment regarding that play is that "Christ has made an unexpected entrance onto the stage of modern secular, life. The Harlequin is the personification of festivity and fanlasy in an age that had almost lost both.

"Rather than a blasphe-mous image, he is able to touch our jaded modern consciousness as other im-ages cannot.

ages cannot.

"Even in the Biblical portrait, there are elements suggesting clown symbols. He defied custom and scorned crowned heads. He had no place to lay his own head.

"He satirized existing authority. He frequented dinners and partles. He was costumed at the end by his enemies and mocked at his death.

mocked at his death.
"Over the years, this facility
for humor disappeared or went
underground. A church that
actually holds power and reigns
has little capacity of self-caricature or irony.

"As sense of irrepressible radical hope remains alive and well in the comic. Its Christ is the painted jester whose foolishness is wiser than wisdom. "Its church meets wherever men lift festive bowls to to

men lift festive bowls to toast joys remembered or anticipat-ed. Its liturgy is the exuberant enactment of fantasy before the eyes of a prosaic world. eyes of a prosaic world.

"Its God is the often unspok-en ground for refusing to be cowed into timidity or resigna-tion by mere facts.

"This gift of comic hope is not something on which religious people hold a monopoly. They share it with all sorts and conditions of men.

"But it may be the special responsibility of men of faith to nourish this gift, to celebrate this sense of comic hope, and to demonstrate it."

andly irritated blain and the and one to easily forget, or forgive.

Choate himself has found his previous strength considerably undermined, to some extent by the infusion of new Democratic House members, and he cannot act as unilaterally as in the past

House members, and he cannot act as unilaterally as in the past. the Senate, Chicago Deminat Ceel A. Partee has been replaced as top leader of the Senate by popular Pontiac Republican William C. Harris. Partee was an effective Chicago-to-Springfield power coult for Mayor Dales. The country of the property of the prop

VISION LAMP for those with partial vision, with magnifying lens and a fluorescent ring, has been presented to Lovejoy Library at Southern Illinois University at Edwardsville by the Friends of the Library. Examining it, from left to right, are three of the board members: Mrs. Earl Glenn and Mrs. Charles. Kohl, Granite City, and Mrs. John McCanna, Collinsville. The adjustable lamp can be clamped to a desk or table.

Schuler Lists Income in Race for Mayor's Office Pool Design Contest

Paul Schuler, Granite City notice that since my election I driggist and a candidate for am no longer a partner in mayor in the April 3 municipal Vaughris, Pharmacy. 'Schuler selection, has disclosed his 1971 income in keeping with a promise he made when he announced his candidacy for the mayor's office.

The documents were offered first annual "Design-the-Bits of the Pool" contest.

she indied with the mayor's billion of the mayor's office.

Schuler also released copies of special tax stamps issued to wait as the mayor of special tax stamps issued to make a partner prior to his election as an adterman of Group of the mayor of a leiter in which Schuler withdrew as a partner in that firm.

Schuler withdrew as a partner in that firm.

Schuler displayed tax returns listing a 1971 income of \$20,230 from all sources.

The tax receipts listed Schuler and Don Vaughn as partners in a stamp issued to the pharmacy for the 1989-70 year, but will be supposed to the condition of the state of the condition of the condition

notice that since my election I am no longer a partner in Vaughn's Pharmacy." Schuler sudestillated and expensive that as a City Council and Town by Schuler to refute criticisms that as a City Council and Town by Schuler for effugs purchased by the township from Vaughn's Pharmacy.

Schuler has maintained that withdrawing as a partner that by withdrawing as a partner in the pharmacy shortly after his election, he has not been in year of the 1973 swimming local prior to its election, he has not been in season.

17-PIECE DANCE BAND, The Noblemen, will provide the music for the 35th annual Venice Crippled Children's Ball Saturday evening, Jan. 27. The ball will be held at the Venice-Madison American Legion Home, Post 307, on Broadway in Venice. The Noblemen feature the big band sound and all members of the group are both members of the Musicans Union and Ainad Temple. Funds raised at the ball are used to aid needy Venice youngsters, the Madison County March of Dimes and the Shriners Hospital for Crippled Children. Tickets for the ball, costing \$1.50

each, are available in advance from members of the Venice Crippled Children's Organization. The admission fee also may be paid at the door. Band members are, front row, standing, Warren Brown; seated, left to right, Norm Davis, Tom Gerrmonn, Bill Kohlmeyer, John Glenville, LeRoy Shaeffer and Art Fickinger; center row, Jack Wildy, Dean Heage, Wayne Duckworth, Hower Boker and Art Ziest; back row, Frank Hume, Bill Ebbinghaus, Robert Dill, Kenny Holm, Glen Allison, Henry Taylor.

ble to use the short form 1998A?

A. Basically, the short form 1904A may be used if all your income was from wages, salaries, tips and not more than \$200 in dividends and \$200 in interest and you do not plan to itemize deductions.

If you receive the short form in the mall, it was sent to you based on the return you filed last year.

based on the return you flied last year.

If you did not receive a short form 1040A in the mail and want to use it, a copy may be to brained at any internal Revenue office and most banks are decided banks in the form 1040 package to obtain a copy.

Q. 1s every taxpayer who is eligible to use the short form 1040 required to do so?

A. No. Use of the short form is optional.

If you had sizeable expenses for such items as medical and you have the IRS compute the IRS compute and the IRS compute and the IRS compute your tax and you have a returnment income credit, the IRS will also compute your tax and you have a returnment income credit, the IRS will also compute your tax and you have a returnment income credit, the IRS will also compute your tax and you have a returnment income credit, the IRS will also compute your tax and you have a returnment income credit, the IRS of you have a returnment income credit.

Will the IRS compute your tax and you have a returnment income credit, the IRS will also compute your tax and you have a returnment income credit. The IRS and you have a returnment income credit. The IRS and you have a returnment income credit. The IRS and you have a returnment income credit. The IRS and you have a returnment income credit. The IRS and you have a returnment income credit.
